

Devon and Cornwall Shellfish Permit

Written by Jo Swarbrick
Monday, 27 April 2015 21:05 -

From 1st March 2015, you require a permit to take scallops (max 15), lobster (max 2) or crab (max 2) from Devon and Cornwall.

Permits will cost £20 and are valid for 2 years. This policy is fully supported by BSAC.

If you are a club member and you would like to collect any shellfish, please make sure you buy yourself a permit before doing so!
